Dear Lancaster Resident:

In an effort to clean up the database, curb illegal entry to the community, and maintain security, we would like to confirm information in the gate entry system. We are asking that you fill in the information below and return it to me at your earliest convenience. Please put into mailbox of Mark Sloat at 5001 Waterkey Way

The information you provide will help with Neighborhood watch setup as well as a more detailed identification system for barcodes of all residents.

The Board meeting of Jan. 18th, 2010 has set the limit of active barcodes of residents to four. Two extra barcodes are available for \$10 each for a maximum number of six active barcodes. The barcodes are for cars used by persons living in the residence only.
